

Says

Thinks

i want a
diserve
menu

the food
was good
quality

i hope the
catering
fits with in
my budget

the wonder if
they can
accommadate
dietary
restriction

the need
gluten free
option for
my guests

the food
should be
fresh and
high quality

i expect the
catering
service to be
professional
and reliable

if should be
delicious and
tasty to them
in healthy way

the research
different
catering
companies
online

the request
quotes and
compare
price

the want my
guest to be
impressed
with the food

the customer
feels the
costability of
the service

i read reviews
and ask for
recommandaios

the customer
needs to select
a best catering
to thier program
or funtions

I'm anxious
about
ensuring

the like to
feel proud of
my choice of
caterer
